

# ZONING PERMIT

No building shall be erected or structurally altered, nor any building moved into the City of Dawson until a zoning permit is issued. No permit authorizing the moving of such building or structure may be granted unless the City Zoning Inspector and City Manager determine that the building or structure is in a state of good condition and repair and placed properly on the lot.

**Permit cost is \$30.00 for residential and \$200.00 for commercial.**

Permits require that construction commence within **ninety (90) days** of issuance with the work being completed within such one year period.

**All information must be completed before the permit will be considered.**
